Eat Well Food Program

In partnership with Sobeys and Morinville FCSS

A food program has been created to help residents balance the cost of food each month, with quality meats, vegetables and fruits.

Sobeys will be creating baskets with 4 servings each of 3 meats, 3 vegetables and 3 fruits that residents can pick up and enjoy every month. This is a great opportunity to support a local business and help reduce your food costs!

Purchase by the first Thursday of each month, by visiting: morinville.recdesk.com,
by phone: 780-939-7839 or in-person: Community Services Office, 9502 100 Avenue.

Pick up on the third Thursday of each month, from 2 to 5 p.m. at

Guthrie School 198 Range RD 244, Lancaster Park
